Tel / Fax	+33 6 11 72 92 54 / +33 5 67 69 95 37
Profile of the partner	Euro-CIDES brings important experience from other projects. Each year since 2002 they have performed training sessions on territories' diagnosis for students, as well as for social workers and managers of social institutions and structures, on behalf of a regional French institute of social work. In relation to education in prison, from 2008 onwards they associated the Headmaster of the teaching unit of the French National Education Ministry in the prison of Bordeaux to their works. Since 2011 they have involved the French public youth care service (DIR PJJ SO) in their works and from 2012 they have been joined by the pedagogical unit of the French Ministry of National Education, which manages 20 schools in prisons of the south-west region of France (Bordeaux, Limoges, Poitiers). Furthermore, Euro-CIDES has participated as applicant or partner in several projects under the EU Lifelong Learning Programme (for instance: HIPPO 2008/2010 dealing with the transition from prison to outside; FEFI 2013/2015 focusing on the education of female inmates; ON-OFF 2013/2015, concerning the exchange of methodologies in the education of detainees) and also as associate partner in European Social Fund projects (acknowledgement of prior learning in prison) always for population in social difficulties and precarity, also with intellectual difficulties and very low skills. They also work (directly or associated) with probation services so their competences is a complement with such target groups than CAPTIVE ones.
Objectives and regular activities	

<p>Experiences of similar actions in relation to role in the implementation of the proposed action</p>	<p>In EU projects Euro-CIDES often lead with (national and transnational) coordination but also with communication and dissemination. We have experiences in project's evaluations and our contact person is an independent expert of GRUNDTVIG/ERASMUS+ French NA since 2010.</p> <p>Euro-CIDES leads diagnosis of social needs on territories on behalf of municipalities so to help decision makers to be aware of the evolution of their population. We are authorized by the ministry of health to audit medico-social institutions hosting elderly people, mentally disabled persons, juveniles and young adults under penal measures mainly with educative measures...</p> <p>Euro-CIDES has very good knowledge of social networks and is able to give link and sense to new political stakes.</p>
<p>History of cooperation with University of Malta as coordinating organization</p>	<p>Faculty of Social Wellbeing University of Malta and Euro-CIDES we were both partners in a GRUNDTVIG Multilateral project titled "Finding Education for Female Inmates (FEFI)" which gave them voice inside their prisons (10 partners from 8 EU countries and associated) to decide about their future post-released project by choosing topics' training so to prepare their reintegration into society.</p>
<p>Contribution of the partner to CAPTIVE</p>	<p>Euro-CIDES (FR) will participate in the project working on leading WS0 together with the Applicant. Together we will be responsible for the monitoring and communication activities of the project. Collaborating with the Steering committee, Euro-CIDES will coordinate and create the monitoring and evaluation plan - evaluation criteria and survey tools (to verify the quality, the satisfaction and the results of each step of the project).</p> <p>Euro-CIDES will also be involved in WS1 – WS2 – WS4 actions:</p> <ul style="list-style-type: none"> - Research activity. Researchers will define the state of the art on the local territory in relation to the S/GBV phenomenon in migrant communities including - S/GBV cases and perspectives, resilience strategies, national law system to defend victims of S/GBV, support services, networks to support migrant women victims of gender violence etc... ; - Realization of two technical workshops to create awareness amongst participants, especially those working in support services, for which Euro-CIDES must select a minimum of 20 professionals ; - Prevention activities to fight and promote prevention policies against S/GBV. For this action Euro-CIDES will organize: <ul style="list-style-type: none"> * three workshops for communities, working with vulnerable groups such as refugees, asylum seekers and international protection seekers ; * the final EU conference for institutions, professional experts to share and promote the results obtained ;

	<p>- Contribution to the creation of a European association to develop a synergic activity of information, prevention and fight to the S/GBV among migrant communities in European territory.</p>
Staff involved in CAPTIVE	<p>Dominique ANTONY as national project coordinator but also as social engineer/researcher involved in the network with services providers</p> <p>Sarah DANIEL, anthropologist, involved in the national research and the design of pedagogical courses focusing on the topic of S/GBV to migrant women</p> <p>Dr Claire MESTRE, psychiatrist and anthropologist (for clinician transcultural approaches of migrant persons)</p>
