- ALL PARTNERS: National reports with front cover/EU disclaimer sent to MT? Y/N
FRANCE Feedback: For what concerns our French national report with front cover and EU disclaimer notice, it's done and our French report can be downloaded from CAPTIVE website. *By the way, it seems strange to see that at least one report still does not have DISCLAIMER notice, after MT claimed so much after FRANCE.*

- ALL PARTNERS – ~~UK/MALTA: programmes /plans for EcA course~~ / Course for professionals sent to MT? Y/ N
FRANCE Feedback: Sent (in very bad English language)/ Nov. 2017.

Wherever you selected 'yes', please ensure to send document to MT if you haven't already done so.

FRANCE Feedback: Has been done as required in Nov. 2017 France felt obliged to ask assistance to Malta institution to correct then register the 6-hour part of course as the English language for our anthropologist specialist (focusing on migratory ways and drama on migrant women with reference to native cultures) was so bad that it would have been impossible for any professionals from service providers to learn from her part of 30-hour course.
